業界における経験14年

Michael Thanner joined Gensler in 2007 with over 14 years of experience. Prior to joining Gensler, Michael was working for Richard Meier & Partners, Perkins Eastman and Rockwell Group. Michael has worked on a wide range of project types including department stores, museums, hotels, and commercial buildings. In addition, he has extensive experience in master planning, including most recently an entertainment-themed hotel in Las Vegas (USA) and large-scale mixed-use projects in Nanchang and Beijing (China). A registered architect, Michael has also been an adjunct professor at the School of Visual Arts in New York since 2005.
